## Frequently Asked Questions:

### Sign in to MedNet- Apple (ISO)/Android- Mobile

When signing in while using a mobile device, remember to use the `ads\username` format for the security window. View instructions below for more details. **MEDNet** will display your name in the top right hand corner to help the user distinguish if the sign in was successful.

**MedNet Users Sign In:**

<table>
<thead>
<tr>
<th>Step</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Point your mobile browser to <a href="http://MedNet.iu.edu">http://MedNet.iu.edu</a></td>
</tr>
<tr>

<td>Locate the sign in (lock) image in the upper right hand corner of the main page.</td>
</tr>
<tr>
<td>3</td>
<td>Depending on your mobile device you may see these mobile interfaces shown in Figure 1 and Figure 2.</td>
</tr>
<tr>
<td>4</td>
<td>Click the lock button near the upper right hand corner of MedNet’s home page.</td>
</tr>
<tr>
<td>5</td>
<td>Authentication required at log in as seen in Figure 4 and 5, will appear to authenticate your IU username and passphrase.</td>
</tr>
</tbody>
</table>

**Figures:**
- **Figure 1- Apple (ISO)**
- **Figure 2- Android**
- **Figure 3- Lock Image/Sign In**
- **Figure 4- Apple (ISO) Log In**
- **Figure 5- Android Log In**
Type in your standard IU username as follows: \texttt{ads\username}

Notice: Use the back slash \ (which is key above Enter key on keypad)

Type in your standard IU passphrase used to log in to on campus desktops.

When completed click “Log In”

---

Verification
You will know that you’re successfully signed in if your name is displayed near the unlocked image as displayed in Figure 8.

Your name shown here
