What goals does your committee have for the next academic year? How can the Faculty Steering Committee help you to accomplish those goals? (150 words)

The FDCC has the following goals for 2017-2018:
- Identify a Faculty Development Champion (FDC) for each department to reach a broader group of faculty for informing on faculty development activities and resources
• Implement faculty development within the FDCC so that members can be more successful in bringing faculty development to their department colleagues and/or raising their awareness of faculty development activities and resources
• Develop a “one stop shop” resource page for doing research when time is limited
• Create “Faculty Development Minute” presentations or E-bytes for people to use and view
