

# SCHOOL OF MEDICINE HEALTH PROFESSIONS PROGRAMS

## Medical Imaging Technology Preference Form

Applicants to the BS in Medical Imaging Technology Program are eligible to apply for admission into one of the following tracks:

- CI (Cardiac Interventional Procedures)
- VI (Vascular Interventional Procedures)
- CT (Computed Tomography)
- DMS (Diagnostic Medical Sonography)
- Echo (Echocardiography)
- Mammo (Mammography)
- MRI (Magnetic Resonance Imaging)
- Non-Clinical

In the below chart, please list the tracks (in order of preference from first to third) in which you would like to be considered. List only the tracks in areas that you would like to continue your education. While the below chart allows for up to three options, you can rank only one or two if that is your preference.

| Rank Order of Preferred Track | Name of Preferred Track (as listed above) |
|-------------------------------|---|
| 1 <sup>st</sup>               |   |
| 2 <sup>nd</sup>               |   |
| 3 <sup>rd</sup>               |   |

The Medical Imaging Technology Program’s Admissions Committee will only consider you for admission to the preferred tracks you listed above.
