Study Participant Supervision

I. PURPOSE
   A. This Study Participant Supervision Policy has been established to provide a minimum level of supervision required for a safe atmosphere for participants in research studies within the IIBIS imaging areas.

II. SCOPE
   A. This policy covers all IIBIS facilities located at the R2 Building and within Goodman Hall in regards to the supervision of all human study participants for any modality.

III. EXCEPTIONS
   A. Any exception to this policy requires the approval of the Director of IIBIS and the Chairman of the Department of Radiology and Imaging Sciences or his/her designee.

IV. DEFINITIONS
   A. IIBIS: Indiana Institute for Biomedical Imaging Sciences
   B. Study Personnel: Personnel supplied by the Principal Investigator

V. POLICY STATEMENTS
   A. The study personnel are responsible for providing supervision of the study participant while in the imaging area. Imaging personnel are not available to provide supervision of the study participant, study participants children, or other dependent family members.

   B. All exams for all modalities are required to have at least one person from the Principal Investigator's study personnel present in the imaging area for the duration of the study.

   C. If at any time during the visit to the imaging area study personnel leave or become unavailable, the exam may be suspended and/or cancelled per the cancellation policy and study personnel will be contacted to pick up the participant. The Principal Investigator will be notified of each occurrence. Multiple occurrences will be reported to the IIBIS Executive Committee.
